University of Michigan faculty authored 66 interprofessional education or collaboration publications that were published and indexed in PubMed or Scopus from January 2015 to October 2017. The author affiliations utilized in this report were extracted from the author affiliation data provided to the databases at the time of publication, and may not reflect the faculty's current affiliation.

All coauthors of the IPE publications were organized into 11 categories for this author analysis: the 7 health sciences programs on the University of Michigan Ann Arbor campus (i.e., School of Dentistry, School of Kinesiology, Medical School, School of Nursing, College of Pharmacy, School of Public Health, School of Social Work); the College of Education, Health, and Human Services on the Dearborn campus; the School of Health Professions and Studies on the Flint campus; other University of Michigan programs (e.g., Department of Psychology in the College of Literature, Science, and the Arts and sponsored affiliates at the VA Ann Arbor Healthcare System); and external collaborators.
IPE PUBLICATIONS BY INTERPROFESSIONAL TEAMS OF U-M AUTHORS

Within the 66 articles published on interprofessional education or collaboration are 14 articles authored by interprofessional teams from two or more University of Michigan programs or departments.
