Calling all students, faculty and staff:

Abstracts are due January 14 for Health Professions Education Day, sponsored by the Michigan Medicine Department of Learning Health Sciences and the Michigan Center for Interprofessional Education.

Learn more and submit your abstract: dlhs-umi.ch/HPEday

The 6th Annual HPE Day will be Tuesday April 14, 2020 8am-3pm at the Michigan League. The guest speaker will be Elena Umland, PharmD.

Elena M. Umland is Associate Provost for Interprofessional Practice and Education and Co-Director of the Jefferson Center for Interprofessional Practice and Education (JCIPE) at Thomas Jefferson University. She has been actively involved with JCIPE since 2007, taking on the role of Co-Director in 2017. She was inducted as a Fellow in the National Academies of Practice in 2019. Within JCIPE, Dr. Umland’s primary roles are continued oversight of existing and developing interprofessional initiatives. Her scholarly activity has focused on IPE assessment via collaboration with colleagues (pharmacy and non-pharmacy) at Jefferson and around the U.S.
